

WEST ST. MARY PORT HARBOR AND TERMINAL DISTRICT

LOCATION – The Port of West St. Mary is located on the Central Gulf Coast of Louisiana at mile marker 133 on the U.S. Gulf Intracoastal Waterway. It is on U.S. Highway 83 eighteen miles south of U.S. Highway 90 and the City of Franklin, St. Mary Parish’s official seat of government. The Port is approximately 40 miles from Lafayette and Interstate

10 and U.S. Interstate 49. The channel connecting the port with the U.S. Gulf Intracoastal Waterway is -13 feet NGVD and has a bottom width of 150 feet to accommodate shallow draft shipping needs.

ORGANIZATION – West St. Mary Parish Port, Harbor and Terminal District was created by Act 604 of the 1974 Legislature. It is governed by a 9 member board of commissioners who serve staggered terms of 7-years. This body has the power to regulate the commerce and traffic of the district in a manner that it judges to be in the best public interest.
